

ME 257: QUIZ 2

Feb 10, 2023. 2-3 PM Max score: 20 pts

INSTRUCTIONS

- Use the Eigen folder available on the class piazza page. Have it downloaded on your computer before you come for the test.
- You will pick one of multiple questions at random before the start of the test.
- Download the code corresponding to your question number from the piazza page. Do not pick the wrong file.
- Upload only a zipped file labeled “your-name-Q-question-number.zip.”
- The zipped folder should only contain two files:
 - (a) The completed code (.cpp file).
 - (b) One word or pdf document containing all your non-coding-related answers.

Do not upload the Eigen folder.

- Submission link:

<https://www.dropbox.com/request/SwaEYEoPs0KAFfJjcc8K>

The link will expire at 3 PM. I will not evaluate late submissions.

- Do not copy paste code from HW2. The quiz becomes much harder that way!
- You may **not** change the syntax of any function given in the code.
- You may **not** use internet resources during the quiz, except to download the quiz and upload your solution.
- **Promise to abide by IISc’s honor code.**
